Dear Readers,

It gives me immense pleasure to present the **Annual Report of P K International School** for the academic year **2025-26**.

Guided by our vision of nurturing confident, future-ready learners rooted in Indian values, we remain committed to academic excellence, holistic development, and character building. With the dedicated support of our teachers, students, parents, and management, we have continued to create a positive and enriching learning environment.

This report highlights the major achievements and activities of the academic year **2025-26**.

The **CBSE Class X Board Examination Results (2025-26)** brought immense pride to our school. We achieved a **100% pass percentage**, reflecting the dedication and hard work of our students, teachers, and parents.

Social Activities

Throughout the year, the school organized various social activities to foster responsibility, empathy, and community spirit among students. Activities included Doctor's Day greetings, Swachhata Abhiyan, social awareness signboards, grandparent interviews, donation drives, and awareness programmes on health, hygiene, road safety, and responsible citizenship.

The school also celebrated the 730th Sanjeevan Samadhi Anniversary of Sant Dnyaneshwar Maharaj, during which students participated in religious and cultural programmes and distributed copies of the Dnyaneshwari, promoting spiritual and cultural values.

These initiatives helped students develop compassion, leadership, social awareness, and a strong sense of service towards society.

Environmental Activities

The school actively promoted environmental awareness through tree plantation, seed ball making, Save Birds campaigns, and programmes on water conservation, waste management, and energy conservation.

Students also participated in projects such as organic manure preparation, drip irrigation using waste bottles, vertical gardening, cleanliness drives, and best-out-of-waste activities, encouraging sustainable practices.

These initiatives fostered environmental responsibility, practical skills, and a commitment to building a greener and more sustainable future.

Educational Field Visits

The school organized educational field visits to provide students with practical learning experiences beyond the classroom. Students visited a Ganesh Idol Factory, Corn Processing Factory, Pune Metro Station, Rajguru Wada, the NDRF Centre, and an Educational Park, gaining valuable insights into industry, history, disaster management, and public infrastructure.

On Raksha Bandhan, Grade X girls and teachers visited the local police station to tie rakhis to police personnel as a mark of respect and gratitude. Students also watched the historical movie *Chhava*, which inspired them with the courage and leadership of Chhatrapati Sambhaji Maharaj.

These visits enriched students' learning by connecting classroom knowledge with real-life experiences while promoting patriotism, social values, and practical understanding.

Excursions and Picnics

The school organized educational excursions to Raigad Fort for Grades IX and X and Lohagad Fort for Grades V to VIII. These visits helped students learn about the rich history, heritage, and leadership of Chhatrapati Shivaji Maharaj while exploring the architectural significance of the forts.

Students also enjoyed recreational activities at a water park, making the trips both educational and enjoyable. These excursions enhanced historical awareness, encouraged teamwork, and created memorable learning experiences for all.

Special Assemblies

The school conducted special assemblies throughout the year to celebrate national festivals, cultural events, and important awareness days. Programmes included Independence Day, Republic Day, Shiv Jayanti, Jijau Jayanti, Teachers' Day, Children's Day, National Youth Day, and various observance days such as National Reading Day, Hindi Diwas, National Mathematics Day, National Science Day, and Kisan Diwas.

Through speeches, skits, quizzes, and presentations, these assemblies promoted confidence, leadership, patriotism, cultural awareness, and social responsibility among students.

Teacher Training

The teachers of P K International School actively participated in 200+ CBSE training programmes (2020–2024) to enhance their professional skills. Major focus areas included Art Integration, Cyber Safety, Career Counselling, Experiential Learning, Classroom Management, NEP 2020, and Mental Health, along with subject-specific pedagogy training.

These programmes reflect the school's commitment to continuous professional development, innovative teaching practices, and quality education.

Competitions

Students enthusiastically participated in a variety of academic, cultural, literary, and sports competitions throughout the year. They showcased their talents in Colouring, Poem Recitation, Storytelling, Handwriting, General Knowledge Quiz, Singing, and Elocution competitions.

Our students excelled in Kala Darpan, Indrayani Thadi, CBSE Sports Cluster Competitions (Pune Region), and DSO events, winning medals and certificates in sports such as Kho-Kho, Athletics, Mallakhamb, Kabaddi, Football, Chess, Archery, Kick Boxing, and Rifle Shooting. Many students also earned merit positions in the SOF Olympiads at the zonal and national levels.

These achievements reflect the dedication of our students, the guidance of our teachers, and the school's commitment to all-round excellence.

Examination

The school conducted Periodic Tests, Term-I, Term-II, and Preliminary Examinations for board classes in accordance with CBSE guidelines. These assessments helped monitor students' academic progress and prepare them for future challenges.

Students performed commendably across all classes, reflecting their hard work and the dedication of the teachers. The examination process also promoted confidence, discipline, consistency, and effective study habits.

Student Enrichment Activities and Celebrations

P K International School organized a variety of student enrichment activities, cultural celebrations, and awareness programmes throughout the year to promote holistic development and experiential learning.

Students enthusiastically celebrated Hanuman Janmotsav, Independence Day, Khande Navami, Diwali, Republic Day, Vasant Panchami, Shiv Jayanti, Founders' Day, and Anandotsav. The Investiture Ceremony encouraged leadership and responsibility, while the Annual Day showcased students' academic, cultural, and artistic talents.

The school also conducted Swachhata Abhiyan, Divyang Saptaha, Library Week, Reading Competitions, Book Exhibitions, Bookmark Making activities, and

the Science Project Exhibition, fostering creativity, innovation, reading habits, scientific thinking, environmental awareness, and social responsibility.

These programmes enriched students' learning experiences, strengthened their confidence and leadership skills, and contributed to their overall personality development.

Conclusion

The academic year 2025–26 has been a year of learning, growth, and achievement for P K International School. These accomplishments reflect the dedication and collective efforts of our students, teachers, parents, and management.

We sincerely thank our President, Secretary, Management, teachers, non-teaching staff, parents, and students for their unwavering support and commitment. With renewed enthusiasm and determination, we look forward to another year of excellence, innovation, and holistic development.

Thank You.
